

Task-based fMRI Analysis	Functional Connectivity Analysis	Diffusion Imaging Analysis	Arterial-spin Labeling Analysis	Anatomical/morphometry analysis	Angiography/Vascular Imaging Analysis
Acquisition consultation: \$100/hour	Acquisition consultation: \$100/hour	Acquisition consultation: \$100/hour	Acquisition consultation: \$100/hour	Acquisition consultation: \$100/hour	Acquisition consultation: \$100/hour
Basic: \$1000 (N <= 30) <i>\$30 for each additional participant</i> Included 1 st and 2 nd level GLM analysis	Basic: \$1500 (N <= 30) <i>\$35 for each additional participant</i>	Basic: \$1200 (N <= 30) <i>\$30 for each additional participant</i>	Basic: \$1500 (N <= 30) <i>\$38 for each additional participant</i>	Basic: \$1200 (N <= 30) <i>\$30 for each additional participant</i>	MR Angiography: \$1800 (N <= 30) <i>\$45 for each additional participant</i>
PLS: \$1800 (N <= 30) <i>\$35 for each additional participant</i>	ICA: \$1400 (N <= 30) <i>\$30 for each additional participant</i>	Tractography: \$2400 (N <= 30) <i>\$60 for each additional participant</i>	ASL connectivity: \$1800 (N <= 30) <i>\$45 for each additional participant</i>		Cerebrovascular Reactivity: \$1500 (N <= 30) <i>\$38 for each additional participant</i>
		Diffusional kurtosis: \$2400 (N <= 30) <i>\$60 for each additional participant</i>			Susceptibility-weighted Imaging: \$2000 (N <= 30) <i>\$50 for each additional participant</i>
Additional statistical group analysis: \$200	Additional statistical group analysis: \$300	Statistical group analysis – TBSS & region of interest: \$300	Statistical group analysis – perfusion: \$200	Statistical group analysis – cortical thickness: \$300	Statistical group analysis: - \$400
		Statistical group analysis – tractography: \$500	Statistical group analysis – functional connectivity: \$300	Statistical group analysis – other: \$400	

- Basic packages can include up to 30 participant data sets.
- For large datasets or multiple data types, discounted prices are available.
- Formalized QA for 30 participants or less: \$200, plus \$15 per extra data set.
